**Vascular Blemish Removal
(Cherry Angiomas, Broken Capillaries, and Skin Tags)**

\$60 A Session (Approximately 15 to 30 Minutes)

(Not Recommended for Legs)

This treatment removes skin tags.

Skin tags are small growths of tissue on the skin's surface. They can be found most anywhere on the body but are usually located on the neck, armpits, trunk, and body folds. They can be removed within minutes and fall off with a week or so.

What are Broken Capillaries and Cherry Angiomas?

Broken capillaries, also called "spider veins" and cherry angiomas, also called "blood dots" are vascular blemishes. Heredity and trauma to the skin can be the results of these conditions.
